### **Hunters Choice at the 2010 Eastern Chapter of the Wild Sheep Foundation Hunting and Fishing Show**

LANCASTER, PA –Fulfill the dream! Go for that Kansas whitetail, Rocky Mountain Bighorn sheep, Shiras Moose, Billy Goat, or fish Alaskan King Salmon – the sky is the limit! Have you ever had the desire to hunt in Canada? How about South Africa, Asia or Spain?

The Eastern Chapter of the Wild Sheep Foundation (Formerly Eastern Chapter Foundation for North American Wild Sheep) hunting and fishing show will help you get there! Held January 28-30, 2010 at the Lancaster Host Resort & Conference Center, the 19<sup>th</sup> annual hunting and fishing convention offers amazing hunting and fishing trips at our four live auctions for everyone from the novice to seasoned outdoorsman. Plus we even have taxidermy certificates, furs, jewelry, vacations, artwork, photo safaris, sculptures, and so much more.

Our hunts are donated by trusted outfitters – all with a first class reputation. The same is to be said for those exhibiting at the show; most of whom have donated items themselves. This is a great opportunity to scout out the items you are interested in and meet and talk to the outfitter or craftsman before you begin bidding.

You can also take time to meet and share stories with our featured guest Bob Foulkrod, star of Bass Pro Shops “Real Hunting” and “Winchester Legends who will be hosting several events throughout the show. Participate in other seminars from some of the industry’s most trusted world class hunters and guides.

Even if you are not interested in hunting sheep we have hunting or fishing trips for you. The following species are already lined up for this year’s auction: black and grizzly bear, several types

of deer, buffalo, turkey, pheasant, duck, moose, and elk with even more to come. Of course, if you are looking for that dall, bighorn, stone, or desert sheep tag we have that too. Go fishing for King Salmon, Walleye, or Northern Pike.

For a schedule and more information on the convention please visit the Eastern Chapter of the Wild Sheep Foundation website at [www.ecfnaws.org](http://www.ecfnaws.org) or contact the office at 717.336.3743.

Eastern Chapter of the Wild Sheep Foundation is a 501(c)3 established in 1991 that raises money to support the conservation of wildlife and their natural habitats and have given away over two million dollars to date. A list of grant in aids and past and present organizations we support is available on the website.
